Product Specialist Hygiene (m/f/d) – Saudi Arabia

Your Responsibilities:

- visit clinics, universities and dentists, perform demonstrations and trainings of hygiene products within Saudi Arabia
- explore and establish business opportunities, identify and prioritise market needs and monitor competition
- develop and maintain positive and close working relationships with channel partners and local dentistry professionals
- support our channel partners in their sales and marketing activities, customer visits, business development activities
- operate as a speaker at product trainings, courses and webinars
- Initiation, preparation, and implementation of educational measures (via visits, CME lectures, seminars, trade fairs, congresses) and ensuring timely lead generation and follow up
- organise regular trainings to ensure up-to-date product knowledge of our partners
- develop and maintain positive and close working relationships with key private accounts and the government sector
- stay in close contact and exchange ideas with our Hygiene Competence Centre & Business Unit – Hygiene at the Headquarters

Requirements:

- two years working experience as a dentist or dental hygienist or dental assistant
- sales experience in the dental or medical consumables industry would be an advantage
- strong ability to identify new business opportunities, to grow sales and to gain market shares with a proven track record of success
- ability to build strong professional relationships through communication and interpersonal skills
- goal-oriented team player with a track record of success and the ability to work independently
- excellent written and verbal communication and presentation skills in Arabic (native level) and professional English
- willingness to travel – mainly within Saudi Arabia and some international travel

- residence in Saudi Arabia
- valid driver's license is essential

Our Offer:

- competitive and performance-based compensation package
- flexible work environment with the possibility to work remote
- We value teamwork and cooperation: You will work in a highly motivated team with a target-oriented atmosphere
- professional development opportunities e.g. through online training platform, regular product trainings and induction at our German HQ near Stuttgart
- open corporate culture and short decision-making processes within a family-owned company
- space for creativity and the chance to influence the international growth of DÜRR DENTAL
